Hi Phong and Jillian,

Thanks for the note. Yes, I am interested in participating in future meetings, but I am not available on Aug 7. If there is anything we can help with before then, please let us know. Thanks.

Hi Phong,

Ed Dunne, who I've cc'd, may be interested in attending or at least to be in the loop for future meetings.

We don't have much to report since the last meeting on June 6th, but we can give a 5 minute update on DOEE's and MDE's upcoming plan to present a proposed approach for TMDL endpoint development to stakeholders and host a stakeholder meeting. We're still working as a group to develop the approach and decide on details, so besides that plug, we don't have much to report out. I hope that's ok.

Thanks so much for including us in the agenda.

The trash TMDL update will be an item at the August 7 meeting. I am hoping that one of you can provide the update and lead this discussion. Am I missing any other DC staff for this meeting? Matt Robinson and Jonathan Champion both (DOEE) are available to attend.

Thanks

Phong
